

Graduation and 8th Grade Photos 1964- 2001

By Brady Plachecki and Myles Beale

What is in this powerpoint?

A look at eighth graders who have graduated from Immaculate Heart of Mary School from the Class of 1965 through 2016.

Unfortunately some years are missing. If you have photos from those years please contact Deb Moore, Parish Historian so she can scan a copy.

If you are an alumni, try to find yourself in one of these class pictures!

We created this powerpoint for your enjoyment and hope that you will be excited to see the photos.

The eighth grade class of 1990 brought in the decade with change. For the first time in the history of IHM, a student council was established. Their efforts enabled the girls to wear pants when the weather was cold and to have dances for seventh and eighth graders. In order to clean the environment, the Student Council developed a recycling program. The school now recycles paper and plastic milk jugs.

The eighth graders participated in the Spelling Bee and the Geography Bee with eighth graders winning each event. They were also involved in the Science Olympiad and met every Monday night to prepare for the competition at Grand Valley University in March.

In addition the algebra class participated in the Math Counts competition.

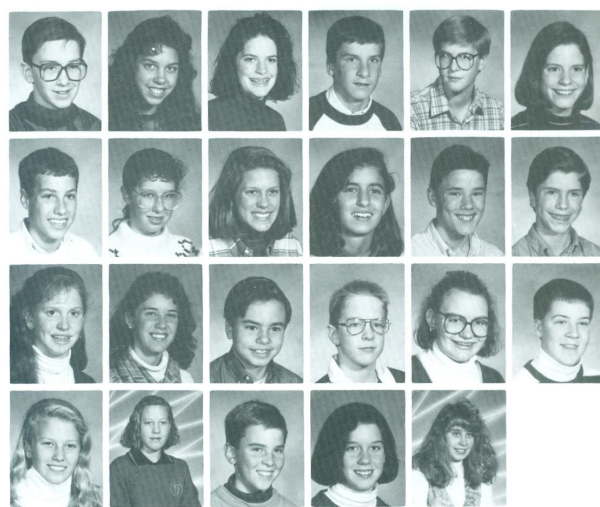

To prepare for Confirmation, the eighth graders were involved in a variety of service projects. They prepared a salad lunch for the Post Grads and a spaghetti dinner for the second graders and their families. They also helped with the Fall Bazaar, Breakfast with Santa, and Family Fun Night.

The Viking teams did well this year with a City Championship in girls' basketball and other major awards in boys' basketball, football, and cheerleading.

This year has been a truly magnificent one. None of the eighth graders will forget it!
